## Foreword

Around the symbol of the RICHWOODS KNIGHTS, the Excalibur staff has endeavored to capture the spirit of the 1958-1959 school year in pictures and words. We hope this Excalibur will help to recapture the highlights of this school year, now and in the years to come.

## *We Dedicate*

In accordance with the EXCALIBUR theme, THE RICHWOODS' KNIGHTS, we would like to dedicate this book to a teacher on our faculty who we feel is one of the best KNIGHTS of all. This teacher's personality, character, and loyalty has been an inspiration to all of the KNIGHTS of RICHWOODS. The friendliness and Knowledge, which she possesses, has guided many students toward the right decision.

Therefore, we, the members of the EXCALIBUR STAFF, in appreciation wish to dedicate the 1959 EXCALIBUR to

Mr. RALPH HOERR  
President

Mr. HENRY TRIEBEL  
Secretary

Mr. CHARLES B. ULLRICK  
Attorney

Mr. WILLIAM O. LOWERY  
Treasurer

Dr. FRED ENDRES

The members of the Board of Education of the Richwoods Community High School, District 312 are Mr. Ralph Hoerr, President, Mr. Henry Triebel, Secretary, Dr. Fred Endres, Mr. Wheeler McDougal, Mrs. George Meyer, Jr., Mr. Charles Pattison and Mr. L. Edward Roby. Mr. Charles B. Ullrick has served as the attorney for the Board of Education since the district was organized in 1951. Mr. William O. Lowery has served as a member of the Board of Education and is now the treasurer for the Richwoods Community High School District and several of the underlying elementary districts.

Members of the Board of Education are elected by the public for a three year term. They meet twice a month in regular meetings, and establish the policy upon which the school operates.

Through their efforts a new addition to the present building will be built and completed by 1960. The cost of the new addition will be \$975,000.00. It will include fourteen new class rooms, an addition to the library, an addition to the study hall, a crafts class room, three science laboratories, an addition to the counseling and guidance area, and an addition to both the boys' and girls' locker rooms.

We, the student body, appreciate the Board of Education's efforts in taking the necessary leadership in the community to make it possible for us to have the best educational opportunities available.

Mr. WHEELER McDOUGAL

Mrs. GEORGE MEYER, Jr.

Mr. CHARLES PATTISON

Mr. L. EDWARD ROBY

Mr. FRED McDAVID  
Superintendent

Our very capable administration staff has certainly helped the RICHWOODS' KNIGHTS to have a most successful and eventful year, both in activities and in academic work. Last year, because of our first superintendent, MR. FRED C. McDAVID and the other three administrators' great desire to make RICHWOODS' KNIGHTS a notable school they set the high scholastic standards that we have at our school. With the fine thinking and cooperation of the Community Board of Education, the administrative staff, the faculty, and everyone else who assisted in making Richwoods Community High School a superior school, RCHS was accepted as an accredited school by the North Central Association and the Illinois State Department of Public Instruction. Acceptance in the first year of any new school is a rarity. We consider this an honor to have been accepted so soon.

MR. WAYNE CRAWFORD, Business Manager and As-

Mr. WAYNE CRAWFORD  
Assistant Superintendent and  
Business Manager

sistant Superintendent, has aided Mr. McDavid with many important business matters. He has supervised the cafeteria program, bus transportation maintenance, and the purchase of all the equipment for the school. His cooperation with our superintendent can be seen throughout our two profitable years.

MR. RICHARD ERZEN, Administrative Assistant, Dean of Boys, and Director of Guidance, and MISS HELEN CURRAN, Dean of Girls, have counseled us with all of our problems. Their leadership, patience and understanding have guided us through all of our difficulties during the past two years.

We owe so much to our excellent administrative staff and want to thank them for their help in making us better students and KNIGHTS today, as well as citizens of tomorrow.

## Office Staff

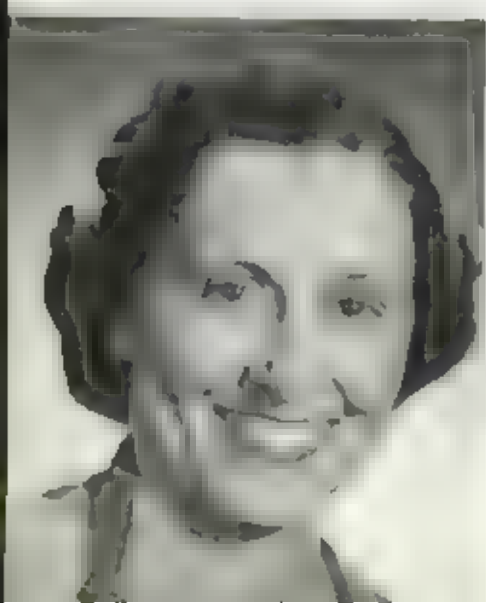

The high quality work of the KNIGHTS of the office staff can be seen by the organized and orderly way our school office staff operates. Mrs. MARJORIE PUTMAN, the receptionist and switchboard operator, has always greeted everyone with a smile. Mrs. JOYCE PALUSKA, the office manager and Mr. FRED McDAVID'S personal secretary has never been too busy to help a student. The attendance clerk, Mrs. BLUMENRADER, and the general clerk Mrs. POGUE, have been patient and friendly to everybody. Mrs. LEE, Mr. WAYNE CRAWFORD'S secretary and bookkeeper, Miss JEANIE FISHER, secretary to Mr. RICHARD ERZEN, and Mrs. URSULA YOUNG, part time bookkeeper, have been efficient and have done their work well. Mrs. HARRIETT BALL has done much to keep our library in fine order. This important and necessary staff of R.C.H.S. has been appreciated by all of the KNIGHTS of Richwoods.

## *Special Services*

The special services of our school include the Cafeteria, the Bus Operation and Maintenance, and the Maintenance of the Building and Campus. The Cafeteria manager, Mrs. LYDIA LEHMAN has planned wholesome and nourishing meals, and her assistants have aided her in serving for the special programs at school, as well as the school lunches. These women have given their time in the evenings to prepare the food for special dinners and banquets. We KNIGHTS have been pleasantly surprised at Thanksgiving and Christmas when the menu has included turkey, dressing, and all the trimmings.

The manager of the bus maintenance, Mr. WILLIAM H.

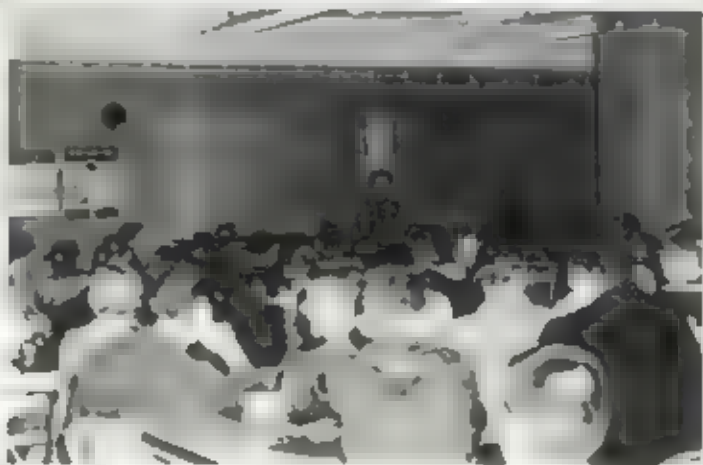

MILLER, supervises the buses and keeps them in fine working condition at all times. We congratulate the drivers for their concern for the students in their transport, to and from school in all kinds of weather.

The maintenance superintendent, Mr. WILMER FISHER, and his workers have done a good job keeping our school in superb condition. We would also like to acknowledge Mrs. FELECCIA, for her splendid work and support in the maintenance department.

All of the KNIGHTS have contributed to the well planned school that we have. We wish to compliment the skilled work that they have done.

## Senior Knights

We, as Senior Knights, came to Richwoods Community High School last year and united. Our first task as a class in our new school was to elect the class officers and student council members. Then the selection of our class rings, a difficult but important decision, was made. The climactic event was the Junior-Senior Prom, which the class of '76 successfully sponsored. Under the capable leadership of our advisor, Mrs. Margaret Ellen Richardson, and our assistant advisor, Mr. Kenneth B. Allen, last year's activities were very profitable.

As seniors, we eagerly started to school this fall with many plans for our last and most important year. The senior highlights this year have been many and varied. Leading our class were John Blossom, Jr., president, Bob Creamer, vice president, Lee Ann Culmer, secretary, and Bill Rutherford, treasurer. Some of our senior class members were honored to be chosen physical education leaders.

Preparing for college, under the direction of Miss Helen Carran, Dean of Girls, and Mr. Richard Erzen, Director of Guidance, we attended College Day and Scholarship Night where we learned about the various colleges and the scholarships available to us. The Campus Caper's and Susy Secretary's potluck dinners, advised by Miss Helen Carran, were held for the girls planning college or business careers. A number of our class members

were awarded scholarships for their academic efforts.

The first dance of the school year, sponsored by the senior class and the first Homecoming Dance, sponsored by our fine Student Council, were very successful affairs. We were all pleased with Richwoods first Homecoming Queen, Mary Gunnerson, who was crowned by Dan Sills, Student Council President, and her equally beautiful senior court, Nancy Barker, Lee Ann Culmer, Donna Ginther, Lucia Meyer, Jan Moreland, Gail Rubin, and Sue Ward. The girls' escorts were Ken Allen, John Blossom, Jr., Mike Few, Steve Giddan, Dean Jameson, Wheeler McDougal, Jr., Tom Morgan, and Chris Roby. After working so diligently, we thrilled to receive first place in the float contest.

The senior banquet, dance, and all the graduation ceremonies will be cherished by all of us for a lifetime. Our energetic advisor and assistant advisor, Mr. Allen Metternich and Mr. Leonard Korgie, truly helped us to have recognized academic and social achievements throughout the year.

We seniors have sincerely enjoyed attending such a fine school as Richwoods Community High. We certainly will remember our alma mater and intend to return to see all the progress made, and recall the pleasant memories of our high school days.

# JUNIORS

Mrs. Margaret Richardson

Mr. Ralph Everson

Duke Zeller

Sally Spencer

We Junior Knights have had two very busy years so far at RCHS. Last year we presented the pep assembly, "This Is Your Life, Mr. Henderson." We certainly had fun at our two class mixers last year, too.

This year, our class officers have been Duke Zeller, President; Bobette Furst, Vice-President; Sally Spencer, Secretary; and Susan Leach, Treasurer. The theme for our homecoming float was "Toasting Our Victory."

The big event this year was the Junior-Senior Prom. We presented our class play "The Curious Savage" under the direction of Mr. Donald Marine. Also, we worked at the concession stand during the football and basketball games. A great deal of credit for our outstanding Prom as well as our prosperous year goes to our two class sponsors, Mrs. Margaret Ellen Richardson and her assistant, Mr. Ralph Everson. This has certainly been an eventful and an unforgettable year, and one which we all shall cherish.

LAST YEAR because of our class party we Sophomore Knights really became acquainted and made many new friends.

Our class officers this year have been Jim Buck, President; Jackie Page, Vice-President; Lynn Anderson, Secretary; and Mike Leiner, Treasurer. With the cooperation of our class officers and our sponsor, Mr. Don Johnson, our homecoming float with the "Humpty Dumpty" theme, was quite effective and successful.

The two class parties completed the important events of the year. We Sophomores anticipate all the activities of the Junior year, especially the Junior-Senior Prom.

Mrs. Brown

John Rutherford

The first important activity the freshman class participated in was to elect their student council representatives and class officers. Those chosen to serve the class, Wayne Krantz, President; Karen Kunkle, Vice-President; John Rutherford Secretary, and Joan Potter Treasurer.

These new Knights of Richwoods were thrilled to actively participate in the homecoming fashion festivities and the preparation of the float. The freshmen did a very commendable job with their float. The theme was "Have ball, will travel."

Throughout the school year, the freshman class mixers have added pleasure and enjoyment. We of the freshman class wish to thank Mr. Hughes for his efforts in making our parties a great success. We also express our gratitude to Mrs. Mary Brown, our class sponsor, for her help and fine support during the year.

### MY SON

You, my son, have shown me God  
Your kiss upon my cheek has made me feel  
The gentle touch of Him who leads us on

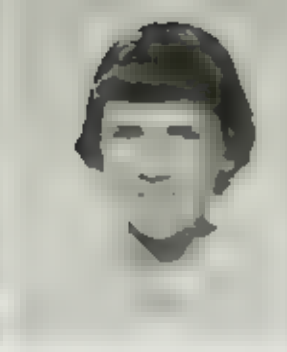

The memory of your smile, when young  
Reveals His face and mellow years come on apace  
And when you went before, you left the gates of heaven ajar  
That I might glimpse approaching from afar  
The glories of His grace

Hold, son, my hand, guide me along the path  
That coming, I might stumble not nor roam  
Nor fail to show the way which leads us home

Dan Sills has done a remarkable job this year as President of the Student Council. He has a fine character and an outstanding personality. We Knights are extremely proud of our school, and Dan has really set a wonderful example of Richwoods' character and has certainly been a credit to the class of 1959.

The members of the Student Council, the student representative body of our school, have considered it a great honor to have been elected by the Richwoods students this past year. The Knights of Richwoods have put their faith in the Student Council by selecting these people to represent and serve them. These students must have high scholastic standings and unusual and outstanding characteristics because they set the example of our school. The members of this governing body, guided by Mr. Erzen, sponsor, and Mr. Vipond, assistant sponsor, have planned many of the activities and social events of the year. They scheduled the Christmas and Spring Dances, the After-Game Dances, and the Vice Versa Dances, the Homecoming celebrations, which included the dance, the parade, and the football game, all of which were a great success. All of the credit for the world clothing drive, the food baskets project, and the clean up week, goes to these fine students. These people have also taken care of the selling of the school supplies, the printing of the student directory, and the lost and found department. Next year the Student Council plans to sponsor a foreign exchange student. The Richwoods Knights have been very proud of their Student Council this past year.

Staff Aid

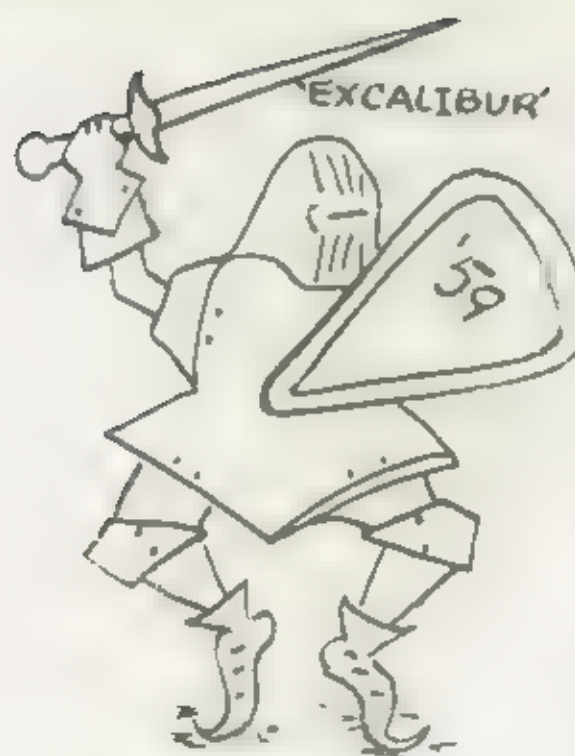

The Excalibur Staff has done an outstanding job with the year book this year. Every staff member has contributed to making this 1958-59 Excalibur a terrific book. There have been many times when the members have stayed up half the night, but the diligent work of these people has certainly been well worth all the effort, as the Richwoods students can see by this excellent year-book. Miss Engelhaupt, the advisor, has directed the students and has always been eager and willing to help any staff members with a problem. The Richwoods Knights also wish to compliment Janet Sperry, the editor-in-chief of the Excalibur, for such a marvelous book, one which will always be cherished.

## Staff

Anne Maple, Editor

Every two weeks the Newspaper staff has supplied the Richwoods students with all the important news and the latest school events. They have kept everyone informed about all the school dances, what the students are doing and planning, the sports events, and all the social activities. The Richwoods' students have also enjoyed reading about the former Knights of Richwoods who graduated last year. Only with the cooperation of all the members of the staff and with the help and guidance of the advisor, Miss Engelhaupt has the Shield been so successful this year.

# *Club*

The Great Books Club is a new organization at Richwoods. With just three members, led by Mr. George Johnston, this organization has hopes for expansions in the near future. The Club's main purpose is to arouse interest in new and different books. Each member reads a book between active meetings and at the following meeting reports to the group on the book which they have read. Thus, in turn, encourages the other members to read the book which was reported on. This tends to improve one's knowledge in both literature and vocabulary.

Many seniors on this year's squad received outstanding recognition. Jim Novak and Bob Camp were named to the Mid-State Eight All-Conference team and George Furness was tagged an All-Stater by the *Chicago Daily News*. Backfielders Howie Fulford, Dale Oakley, and Jim Moushon were the recipients of much favorable comment as were linemen Dave Koch, Wayne Mannen, Jack Garrett, Jack Endres, and Chuck Buck.

## Cross Country

This year's cross-country team showed quite an improvement over last season's squad. While winning only two meets, they started the winning ways which we hope will continue in the future. With a group of underclassmen returning next season, Coach Power and his men will probably boast a much better record

The Knights place men second, third, fourth, and fifth in order to assure a win

## Swimming

The Knight tankmen and Coach Barrett achieved good results for their efforts in the 58-59 season. Of eleven meets they won six, lost four, and tied one. With many sophomores and junior swimmers returning, the Knights of next year should be able to crown their champion.

The start of one of the races in the 58-59 season was a tie with Central 43 all.

The Knight baseballers were one of the first groups to post a winning season. Their 10-9 record boasts of much accomplishment. Dropping three straight games at the start of the season, they ended the campaign by taking four out of five. With the entire team returning, next year should be an outstanding one.

The 1946 golf squad has been in the furway all season long. The record shows 14 wins as opposed to only 4 losses. In the major meets they shot themselves into top positions, finishing third in the Quincy Invitational and District meets, and second in the Illini Conference. With most of last years' performers returning, future campaigns should be just as successful.

## Tennis

For the tennis team 1958 was a year of building. The "Racket Squad" dropped their first seven varsity matches. They continued to improve, however, and came on to take their last match from a team that had beaten them previously. With such a fine spirit, next season should prove to be a better one.

#### EARLY DEATH

He passed away like morning dew  
Before the sun was high  
So brief his time, he scarcely knew  
The meaning of his life

As round the rose its soft perfume  
Softly around him floated  
And he was brought to mortal doom  
Unconscious of his fate

Love was his guardian Angel here  
But Love to Death resigned him  
Though Love was kind, why should we fear  
But holy Death is kinder?

Hartley Coleridge
